"Roller Coasters: An Inventor's Journey"

A 90 minute field trip opportunity suited for 1st-5th grade

Field Trip Permission Slip

Dear Parents,

Our class will be going on a field trip to the Homewood Science Center on _____
Date

We will use Next Generation Science Standards to become inventors!

NEXT GENERATION SCIENCE STANDARDS

The engineering design process is fun, especially when roller coasters are involved!

- History of Homewood's John Miller, a roller coaster inventor in the 1900's
- Interactive 3D roller coaster ride in the Michael Wexler Theater
- Invent a roller coaster of your own using recycled materials

Cost: _____

Detach and return to school by _____

My child, _____, has permission to join our class for a field trip to the Homewood Science Center on _____.

Please check one: ☐ Yes, I'd like to volunteer to be a chaperone.

☐ No, I can't come along on this trip.

Parent name: _____

Parent phone number: _____
